Academic Excellence:

The school maintained a strong academic record throughout the session. Regular assessments, remedial support, enrichment activities, and innovative teaching methodologies helped students achieve their academic goals. The dedication of students and teachers continued to uphold the school's tradition of excellent academic performance.

Infrastructure Development and Technological Advancement

During the academic session 2025–26, the school continued to strengthen its infrastructure and learning facilities to provide students with a modern and conducive educational environment. New and ergonomically designed furniture was procured for all the classes, ensuring greater comfort and an enhanced learning experience for students.

To promote technology-enabled teaching and interactive learning, Interactive Panels were installed in classrooms. These smart teaching tools have made lessons more engaging, collaborative, and effective, enabling teachers to integrate digital resources into their daily instruction.

The Computer Laboratory was also upgraded with advanced computer systems and improved configurations to meet the growing technological and educational needs of students. The upgraded lab provides better access to digital learning resources and helps students develop essential computer and technological skills required for the future.

The school has also established a Social Science Laboratory to support the academic needs of students in the Humanities stream.

The Primary Section Library has been equipped with new furniture to provide a conducive environment for the all-round personality development of students.

Qualified and Dedicated Faculty

The school is proud to have a team of well-qualified, experienced, and dedicated teachers who work tirelessly for the academic and personal growth of students. Their commitment to excellence, innovative teaching practices, and student-centred approach has played a vital role in maintaining the school's high standards.

Capacity Building Programmes and Teacher Training:

Professional development of teachers remained a priority throughout the academic session. Various CBSE Capacity Building Programmes (CBPs), workshops, webinars, and training sessions were attended by the faculty members.

We are pleased to report that all teachers have successfully completed the mandatory 50 hours of Continuous Professional Development (CPD) training as prescribed by CBSE. These programmes enhanced teachers' pedagogical skills, assessment practices, classroom management techniques, and understanding of competency-based education.

Innovation and Professional Development Initiatives:

To foster a culture of continuous learning, teachers regularly participated in innovation-driven educational programmes, collaborative learning sessions, subject enrichment workshops, and professional development activities. These initiatives helped teachers stay updated with modern educational practices and emerging trends in teaching and learning.

Co-Curricular Activities:

The school firmly believes that education extends beyond the classroom. Throughout the year, students enthusiastically participated in various co-curricular activities aimed at developing creativity, leadership, confidence, and teamwork.

Activities conducted during the session included:

1. Calligraphy Competition
2. Literary Activities
3. Quiz Competitions
4. Art and Craft Activities
5. Cultural Programmes
6. Educational and Awareness-Based Activities

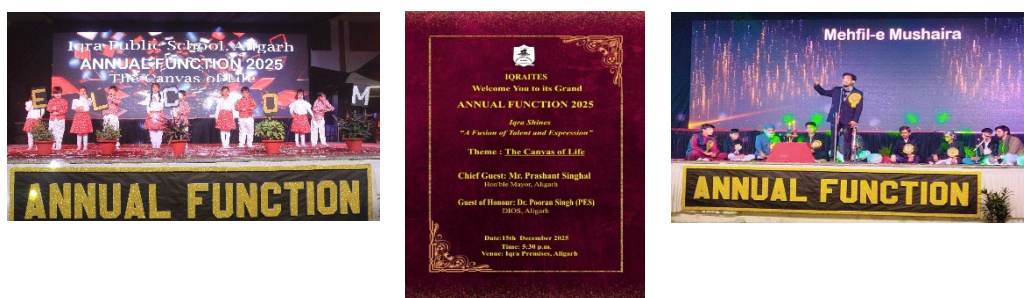

Inter-School Football Tournament:

The school successfully organized an Inter-School Football Tournament, providing a platform for young athletes to showcase their sporting talent, teamwork, and sportsmanship. The event witnessed enthusiastic participation and promoted healthy competition among students.

Annual Function:

The Annual Function was celebrated with great enthusiasm and grandeur. Students presented a variety of cultural performances, including speeches, skits, songs, and group presentations, showcasing their talents and creativity. The event was highly appreciated by parents, guests, and members of the school community.

Celebration of National and Important Days:

The school observed various national, cultural, and educational occasions with great zeal and patriotism. These included:

- Independence Day
- Republic Day
- Teachers' Day
- Children's Day
- Gandhi Jayanti
- National Education Day
- Other significant national and international observances

These celebrations instilled values of patriotism, responsibility, and social awareness among students.

Educational Excursions and Recreational Visits:

Educational and recreational outings were organized to provide students with experiential learning opportunities.

Gulistan-e-Syed Visit:

On the occasion of Children's Day (14th November), students of the Pre-Primary Section were taken to Gulistan-e-Syed, where they enjoyed a memorable day filled with learning, recreation, and social interaction.

Eco Village Entertainment Park Visit:

After the completion of examinations, Pre-Primary students were taken to Eco Village Entertainment Park. The visit provided a joyful and enriching experience, allowing children to learn through exploration, play, and interaction in a safe environment.

The academic session 2025–26 has been a year of achievement, growth, and continuous progress. The success of the school is the result of the collective efforts of the School Management, Principal, Teachers, Non-Teaching Staff, Students, and Parents.

We express our heartfelt gratitude to the School Management Committee for its vision, guidance, and unwavering support. We also extend our sincere appreciation to our dedicated staff members, supportive parents, and hardworking students whose cooperation and commitment have contributed significantly to the accomplishments of the school.

With the blessings of Almighty Allah and the continued support of all stakeholders, Iqra Public School looks forward to scaling greater heights in the years to come.
